Community Notice

Thank you everyone for your patience as we've had a successful season of fish days once again.

Unfortunately **there will be no fish day this weekend.** There is still a gillnet opening for our fisherman.

We will have the results from our Fish Days on in regards to how much was caught, distributed and kept. We will also provide information on how much each fish day costs us and provide a grand total. Thank you in advance for your patience as we prepare these costs for the community.

Have a great weekend!
