Check in: 10am to 12pm at House of Gathering Sunday August 2nd, 2015 with Vanessa

Distribution: August 2nd or 3rd. We are uncertain when the seine will arrive on shore. Please keep in touch via Hupačasath website & Facebook, or designate a person to provide information to you. We are hoping we catch our allocation by Sunday but it could be Monday.

Fish Day Procedures:

- Please show up on time for fish day distribution
- All members must visibly check-in all family members present that are expecting a share.
 - o Tell Vanessa if you prefer your share of fish or cash
 - o Move all conversations away from check in area to allow space for others and so Vanessa can hear your name and choice appropriately
- Wait until name is called; entire family will receive distribution with the first last name to appear on list (alternating alphabetical to ensure fairness – starting from Z this week)
- When picking up fish, please provide a buffer zone for fish pick- up area and walkway to get by with fish
- No foul or disrespectful language and behaviours will be tolerated.
 - o Any person not observing these regulations, creating a disturbance, or in any way interfering with the processes involved in fish days, can be prohibited from attending the next fish day. The person in charge shall make that recommendation to council and council shall immediately send a letter to that person informing him or her of their temporary suspension.
