

Frozen Halibut

The frozen halibut is available to be picked up by those members that were unable to collect their share of fresh halibut during the distribution at the end of April.

Only small portions can be stored at the House of Gathering because of limited freezer space.

If you wish to pick up your share of halibut, please call in advance to make sure there is some available! This is especially important for members coming from out of town.

Please call Graham (250-724-4041 ext. 32) to arrange pick-up before coming to pick up.

Office Closure on BC Day Monday August 1st

Please be advised it is BC Day on Monday August 1st and we will not be open.

We will reopen at 8:00 am on Tuesday August 2nd. Enjoy the weekend, wear sunscreen and drink lots of water!

Looking for something different to do on BC Day?

Come hear the thunderous roar. See the rushing river, as it fiercely cuts its way through the rugged rock face. Experience Stamp River with us, The Heart of Vancouver Island, and other like-minded people. Bring your camera, phone, and make a greater connection.

Directions: Follow Beaver Creek Road, towards the end of the creek, and turn left at Stamp River Provincial Park sign

What to bring: Proper footwear (hiking boots or shoes), lunch, water, raincoat, camera rain sleeve, and business cards (if any)

What to expect: Instagram worthy scenery. Meet other instagrammers and photographers. Networking opportunities. River Orcas.
