To All Band Members,

There will be a 3 bedroom unit available in our social housing as of November 1 2017. Please express written interest to Art at contact below by October 1 2017.

If you are already on the “wait list”, please update your information by contacting Art at contact below.

To On-Reserve Members

I want to advise members of a change we are making to the way housing maintenance requests are handled. Starting in September this year, all housing maintenance requests will have to be in writing, preferably on the maintenance request form available at House of Gathering front desk. Thank you for your cooperation on this matter. If you have questions, please feel free to contact Art at numbers below.
