Fish Day Procedures:

- Please show up on time for fish day distribution
- All members must visibly check-in all family members present that are expecting a share.
 - o Tell Vanessa if you prefer your share of fish or cash
 - o Move all conversations away from check in area to allow space for others and so Vanessa can hear your name and choice appropriately
- When picking up fish, please provide a buffer zone for fish pick- up area and walkway to get by with fish
- No foul or disrespectful language and behaviours will be tolerated.
 - o Any person not observing these regulations, creating a disturbance, or in any way interfering with the processes involved in fish days, can be prohibited from attending the next fish day. The person in charge shall make that recommendation to council and council shall immediately send a letter to that person informing him or her of their temporary suspension.
