

Distribution Notice:

PORT ALBERNI-

Please be advised that we will be distributing halibut this Saturday April 30th 2016.

Pick up times: Between 12:00pm and 3:00pm at the House of Gathering.

If you are unable to pick up your share – deliveries will be made after 3:00pm on Saturday and may extend to Sunday.

PLEASE – let us know if you would like your share delivered by Friday April 29th at 12:00pm, call Vanessa or Dora at Front Desk 250-724-4041

Elders or disabled that are designating a person for pick up may do so by phone call, or send written notice with designate.

**If you are unable to be at the House of Gathering to pick up your share and live out of Port Alberni, we are more than happy to freeze your portion and store it until you are able to pick it up. This worked for our community last year and we are happy to do this again for our community. Please note we require notice for you to pick up this share so we can retrieve it from storage.
