Energy Engagement
Project to learn how
different energy
projects impact/benefit
Hupacasath First Nation

How To Participate:

- Join our engagement sessions
- Connect with team lead Nene Kraneveldt if you have questions, comments or concerns nenekraneveldt@gmail.com
- Apply to be part of the Energy Engagement Team
- Participate in Energy Engagement activities
- Apply for the Energy Engagement Positions (we need one Youth & one Elder)
- Follow our website and Facebook page for project information, fun facts, contests and upcoming activities
- Be informed – have your own treasure

Educating our membership
allows our Nation to make
informed decisions

It is essential to increase
our understanding of
potential impacts and
benefits and weigh those
critically against our values,
goals and business plans
identified within existing
HFN guiding documents

What's in it for me?

- Learn about various forms of energy and their impacts and benefits so you can make informed choices and decisions about personal consumption and projects in our territory
- Opportunity to earn while you learn (stay tuned for opportunities to earn/win prizes by participating in fun quizzes and challenges on our Facebook page)

My Family?

- An informed family can make more informed decisions and choices

My Community?

- When you're informed you can better protect our valuable lands and resources

My Nation?

- We can be a leader for other communities through role modeling effective engagement strategies
- Our Nation can be leaders in how to better understand energy and its impacts on lands, waters and resources
