COMMUNITY NOTICE

Re: Administration Office Closure

Dear Member,

Hupačasath Government and Administration have made the decision to close the administration building for 10 days, 15 October – 01 November, as a precaution due to potential covid exposure. On 01 November, Council and Administration will review, evaluate and make the decision on next steps.

Hupačasath Government and Administration will still be operating and maintaining essential services. Please bear with us as some employees will be working from home if they can.

We hope and ask for your understanding and assistance over the next 2 weeks during these difficult times.

As part of keeping our community safe, please wear masks, practice social distancing, avoid large gatherings and remaining at home as much as possible.

If you have not been vaccinated, we encourage you to get vaccines as soon as possible.

All community activities and programming at the House of Gathering and youth center are suspended until 1 November.

Thank you for your assistance in advance,

Chief and Council
