

Fisheries Update June 22nd

Upcoming Openings

A gill net fishery will start Friday June 22nd and run until Sunday June 24th @ Noon. This fishery is to harvest fish for the community. Only Hupacasath Fishers will be licenced to fish during this opening. Fishers who participate will donate a portion of their catch to be distributed at a community fish day. We are putting together a crew to help with the offloading of boat. If you would like to help with this opening or future openings please let Graham know.

Both Nations will start a gill net fishery Monday June 25th at noon. This will continue until Wednesday June 27th @ Noon. Regular gill net boundaries will apply. The gill net opening will continue from Wednesday Noon till Thursday Noon with modified boundaries in effect. Fishing will be open for Gill Net seaward from the last flashing green light in the harbour during this Wednesday Noon-Thursday Noon fishery.

Dip Netting in Danny's pool will continue to be open for FSC. Please note that the boundaries have been expanded to include small pools above Danny's pool and 500 m downstream from Danny's pool. Please access the site by foot through the Fish ladder road and along the river's edge. Do not cut through the private property adjacent to the river without permission from the owners. Please note that snagging or foul hooking fish is not permitted. All catch is to be reported to the Hupacasath Fisheries Department.

Licences for each of these fisheries will be posted on the Hupacasath Website in the fisheries sections. These licences will further describe the boundaries of each fishery. Please note there is no Sales agreement in effect so all fish caught under these licences are for Food and Ceremonial

Use. Please continue to report all fish caught in these openings to the Fisheries Department. Thanks!

Fish Day Sunday June 24th

A fish distribution is scheduled for Sunday June 24th. Check in will commence at 10 AM and will close at Noon at which time the fish will be distributed. Designates will be allowed for all members including members who live out of town or are working. Previous designations will be honored. Please bring any new designations to the distribution. If they are emailed during the weekend there is no guarantee that fish day staff will receive this information before the distribution. Please bring your totes as no sales are permitted and there will be no buyer on site.
